- Work with a group of three that you have not yet worked with. Create an informational pamphlet on one of the problems some teens encounter. You can choose from the list below or choose a topic of your own. If you choose a topic of your own, it must be approved prior to beginning the project.

Possible pamphlet ideas:

- Anorexia
- Depression
- Anger management
- Sexual identity crisis
 - Self-mutilation
- STI's
- Drug addiction
- Anxiety
- High risk seeking behaviour
- Teen pregnancy
- Alcoholism
- Bulimia

- **Your pamphlet should include the following information:**

- Description of issue
- Statistics indicating prevalence of issue
- Causes
- Possible treatments
- A list of local (Lower Mainland) services that address your issue
 - Websites
 - Phone numbers
 - E-mail addresses
 - Addresses
- A list of sources (*Consumer Health Complete* database, websites, books, magazines etc...)
