

Regions Assignment

Now that we have started to discuss the physiographic regions of North America, you will choose one location within one region and sell it to your peers. For example, you can create a pamphlet on the province of BC within the intermountainous region and input information that would draw someone to live there. You may choose to work specifically with one city within a province, or the Province as a whole. You can work with one partner. Your pamphlet/poster must be attractive, creative and informative. It should include:

- 1) Name of Location and which region it is located in
- 2) Climate, Topography, Vegetation, human habitation, and economic activities
- 3) Any additional aspects that would attract people to visit or move there.

Your poster/pamphlet will be evaluated on :

- | | |
|--------------------------------|-----|
| 1) Creativity | /5 |
| 2) Information | /10 |
| 3) Presentation (colour, etc.) | /5 |

Total Score: _____/20

Due Date: Last Class, March 18, 2011. (Right before Spring Break)

Suggested Resources:

<http://mountainlibrary.weebly.com> - look at the **District Databases** or on the *References* tab to quickly find the *Canadian Encyclopaedia*, *magazine articles* and other online resources. A *.pdf* of this assignment handout is also posted on the *Assignments* tab - click Mr. Costoupoulos' name. You can also look for print materials (**BOOKS!**) from the homepage by choosing the **Library Catalogue**.
